

Mount Pearl Sports Team Honour Roll
**The 1989-90 Pee Wee Major Blades
Hockey Team**
Inducted 2022

The 1989-90 Pee Wee Major Blades were the first Mount Pearl Minor Hockey team to represent the association at an Atlantic Championship (4th place) and had the best finish ever for any Mount Pearl team at the Quebec International Pee Wee Hockey Tournament. They also won the Provincial Championship and Gold at the NL Winter Games that year, along with several invitational tournaments. This team brought a lot of positive attention to the community with its accomplishments that season. And while the team had impressive individual statistics, the team results were even more impressive, tallying 456 goals and 56 wins in a 77-game season. The 1989-90 Pee Wee Major Blades, a team to remember.
