

## Mount Pearl Annual Athletics Awards 2018

---

**Terry Ryan Jr.**

**Winner of the Male Athlete of the Year Award,  
2018**

Another exciting year for this ageless athlete, Mount Pearl Sports Hall of Famer (2012), Terry played with the St. John's Caps Senior Hockey Team, the NL Black Horse Men's Ball Hockey Team, the NL Masters Ball Hockey Team, and the Canadian Men's Masters Ball Hockey Team.

On the ice the Caps won the Avalon East Hockey League with Terry winning the scoring title and leading the Caps to the Herder Memorial Trophy playoff, narrowly missing 'the Herder' in championship game.

At the Canadian Ball Hockey Championships Terry's NL Blackhorse team took the Silver Medal in the Men's Division, and his Master's Division team won Gold, setting the stage for the World Ball Hockey Championships in Bermuda, and playing for Team Canada in the Masters Division. Canada went on to win Gold in Masters - Terry was top scorer for Canada and was named MVP for the tournament. As they say, the rest is history.
