Team Accomplishments/Character (use additional pages for this section)

List details of the Team's awards, significant accomplishments achieved by this team, championships attained, medals won, and records, using the headings listed below as a guideline. List all competitions in chronological order, beginning with the most recent.

Invitational tournaments may be considered depending on the number of teams, level of competition and recognition of the tournament by the respective sport governing body. Notwithstanding this point, more weight is given to Provincial, Atlantic and National Championships, than to invitational competitions.

Team Character and Development: Consideration is given to character as a team and as individuals, challenges and adversities met and overcome, community spirit and community support, and how the experience may have contributed to individual player's development beyond sport, e.g., future leaders, citizens, etc. Be sure to add details about the team's character and the team's development over time, i.e., over a period of years.

Use additional pages to complete the following, and include team photo:

- International Competition (representing Canada)
- National and/or Atlantic/Eastern Championship (representing NL)
- Provincial Competition (Provincial Championship)
- Local/Regional competition
- Team Character and Team Development
- Explain how this team's accomplishments were recognized and valued by the community.

Submit nominations to the Sport Alliance office by October 31 - PO Box 989, Mount Pearl, NL A1N 3G9; e-mail mpsportalliance@mountpearl.ca or fax 748-6499. For more info and questions call 748-6489.

Note: Nominations received after October 31 may be moved to the following year for consideration.
